Making Accessible Travel Better

# Find your **CONFIDENCE** to take a holiday

**Tourism for All is the UK voice for accessible tourism, a national charity dedicated to making tourism welcoming to everyone.**

**Join us today, start enjoying the benefits.**

### **What does Tourism for All do?**

We provide a personalised information and advice service for individuals with any level or type of impairment. We will research any type of accommodation that is suited to you as an individual. We can also help you look into travel arrangements (including trains, planes and taxis) before you book your holiday.

### **Do you have a brochure or a list of accessible places?**

A brochure quickly becomes out of date and would also limit your choice.

We recognise that everyone has very individual requirements so our approach is to understand your needs and wishes before using our extensive knowledge and contacts to find places and experiences that will be right for you.

### **Do you charge for this service?**

Yes. This service is available to Tourism for All members for an annual subscription of £25.00 for UK residents (£40.00 for overseas residents). Membership entitles you to use our information service as many times as you like during the year.

### **Are there other benefits of being a member?**

Yes there are! As a member you will also be entitled to receive:

A range of exclusive privileged rates and discounts from our Partners

Our regular newsletter, with accessible tourism news, new places to stay and visit, blog posts, offers, events and more.

### **Want to find out more?**

Visit our website for details of all the great current offers and discounts from our approved partners.

**Many Tourism For All members discover the savings made from partner discounts and privileged rates more than pay for their membership - at just £25.00 per year, it's great value for money!**
